

Women of Excellence Expands

Ladies,

What an awesome day we had for our Certificate Ceremony! What an impressive bunch! You all did a wonderful job! You have worked very hard to get where you are. It is a big deal to be committed to studying and showing yourself approved. It is never too late to get in position to be commissioned as a Woman of Excellence. It is an ongoing project that will continue beyond this upcoming commissioning. There are some women going to 2 groups a week so they can be commissioned. Classes meet before every service, which makes it very possible to have enough hours accumulated to

be a part of the upcoming ceremony. Tell your friends how much you love your group!

The WE women are growing, changing, learning, and bonding. Women are learning to lead and help other women find their gifts. This is exactly the vision that Pastor Margaret has for WE. Her desire has been that women be disciplined as they connect with one another. She also is so aware of our hectic lives that she wants to make it do-able for everyone.

WE is more than being recognized for your discipline and your dedication. What is most important are the changes in

your heart and life as a byproduct of reading the books and sharing your life experiences with your group. The Lord is doing amazing things through WE. Let Him use you as a vessel to help others grow and blossom.

Things you don't want to miss...

Gloria Smith's Friday night group is planning a Breakfast Luau at the pool at Minors Lane on May 31 from 8:00 to 9:30 AM. You can wear your pajamas and pretend it's a muumuu! Come hungry!

The Woman's Breakfast in June will be hosted by Jerusha Coleman's group that meets on Sundays at 4:00PM. Priscilla Plenty's 9:00AM Sunday class is fixing the meal in July. Evie Kuhn's 4:00 PM Sunday group will be feeding us in August. The Keepers of the Word team

is planning a Clothing Exchange to be held during the August Breakfast. More details will come later. The Fall Conference will take the place of the September Breakfast.

Excellence in Action

Champions of Honor men's group will be honoring us by fixing us a spectacular breakfast in October! This is open to all women of Evangel so bring your friends. They all will be at Minors Lane from 8:00 to 9:30AM. It is an opportunity to get to know other one another in a fun and friendly atmosphere.

Mark your calendar for the Fall Conference, September 26 and 27. Anointed authors and

speakers Sandra Kennedy and Alice Smith will be sharing. Cynthia Kinnard will usher in the Holy Spirit with her incredible voice. The conference will end with the Woman of Excellence Commissioning on Sunday, September 28.

Pastor Margaret has prayerfully chosen some life changing books for us to read. The current one we are reading is *Walking in the Anointing of the*

Holy Spirit by Fushia Pickett. Upcoming books will be by Joyce Meyer, Alice Smith, and Sandra Kennedy. All will be available in Evangel's bookstore.

Make sure you check the Commissioning Grid at both locations to see how you are progressing along your path to be commissioned as a Woman of Excellence.

New Things

We are so blessed to have an intern from Asbury College to be working in the Evangel Women's Ministry this summer. Jamie McCowan lives in Lexington, KY and will be here for 6 weeks. Please join me in welcoming her to Evangel on June 8 for lunch at Applebee's at 1:00PM. Last month fifteen of us met after the Certificate

Ceremony and had a blast. Let's do it again!

Peggy Hartsock is starting an exciting new video series group for the summer. It is by Dr. Leslie Parrot called *You Matter More Than You Think*. The author is a therapist that has a talk show, written several

books, and has been on Focus on the Family, as well as other national programs. You will realize how important you are and the difference you make in others lives. The class will be meeting at Billtown Road on Wednesday nights for six weeks. More details later

Attitude of Gratitude

We have so much to be grateful for at Evangel World Prayer Center! Pastor Bob and Margaret lead us in truth and righteousness, revival is on our doorstep, the staff walks in love and compassion, and the Women of Excellence program is filled with dedicated and anointed leaders, co-

leaders, and participants. It is so awesome to see the eagerness of the women to serve during the breakfasts as well as in whatever capacity that is needed. This is Christian maturity at its best. I want to thank each of you for being who you are in Christ. You are beautiful in Him!
